

What does it take to have an **extraordinary life**?

THE LANDMARK FORUM

What is The Landmark Forum?

a powerful, **accelerated**
learning experience

I probably received one of the best educations possible—Harvard, Duke, Yale—but the single course that made the biggest difference in my ability to live a happy, effective, and fulfilling life was The Landmark Forum.

Keith Berger, M.D.

Not a lecture, but a guided dialogue between the instructor and participants, The Landmark Forum is specifically designed to bring about positive and permanent shifts in the quality of your life—in just three days. These shifts make available a new and unique kind of freedom and power: The freedom to be absolutely at ease no matter where you are, who you're with, or what the circumstance—the power to be in action effectively in those areas of your life that are important to you.

Participants overwhelmingly say that The Landmark Forum yields not mere insights or improvements, but results that expand and unfold over time.

More than a million people worldwide have taken The Landmark Forum. Educated, successful, ranging in age from students to seniors, Landmark Forum participants are people just like you.

How the Landmark Method Works

more like **coaching** than teaching,

more like **conversation** than lecture

A Different Kind of Education

Standard educational methods often leave you having to remember the concepts you were taught or trying to figure out how to apply them. The Landmark Forum leaves you applying what you learned naturally and without effort. Similar to riding a bicycle, in this program you learn by direct personal discovery—a moment occurs when a new ability is yours, you become confident in what you’ve learned, and that new ability is yours forever.

Designed to Deliver

The Landmark Forum is conducted over three consecutive full-day sessions (generally Friday, Saturday, and Sunday) and one evening session. Typically, each full day begins at 9:00 a.m. and ends at approximately 10:00 p.m. The evening session (generally a Tuesday) runs from 7:00 p.m. to 10:15 p.m., and some locations vary. Breaks are approximately every two to three hours, with a 90-minute dinner break.

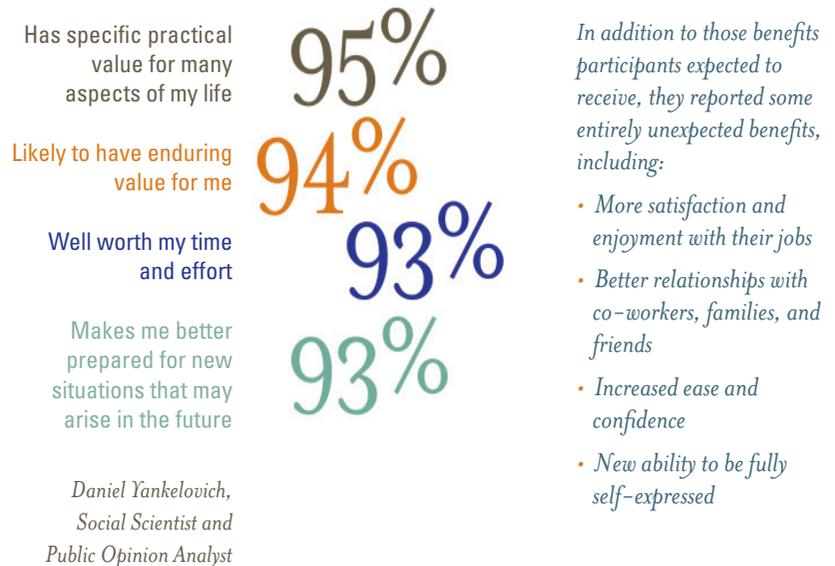

Conducted by Experts

Dynamic and effective, Landmark Forum leaders are considered the best in the industry. Their extensive training includes three to seven years of full-time, rigorous study, preparation, and practice. They consistently receive top ratings from program participants for their ability to communicate, listen, and powerfully deliver the courses.
